

Summer Math Institute by The JOSHUA Group, LLC

Overview

The JOSHUA Group, LLC, summer institute will be a hybrid mathematical training institute for late-stage middle school and all high school students over the summer, and will run from June 16, 2025 to July 26, 2025. The Group will provide grade appropriate mathematical training materials and tutors.

Each student enrolled will receive one 45-minute tutoring session per week, in-person or virtual, and access to office hours Saturdays during the institute weeks. The in-person location will be in Decatur, GA, and provided upon enrollment. Virtual sessions are offered via ZOOM. See more below on student schedules.

SAT math tutoring will have two classes on Saturday morning, one Standard Level (10AM-10:45AM) and one Higher Level (11:00AM-11:45AM). It will be conducted virtually.

Office hours for all students enrolled (that week) in the institute will be from 12:00 -12:45 PM on Saturdays.

Student Schedules and Cost

Tutoring hours are M-F, 9:30 AM - 3:30 PM

Students can enroll for sessions ad-hoc, or as needed. Each paid week (\$35/hr) includes one tutoring session, in-person or virtually, and access to that week's Saturday office hours for additional practice.

We highly encourage enrolling in all six weeks for maximum learning & retention.

SAT math enrollment is SEPARATE from non-SAT training. Either, or both, can be provided by the Group for students.
